Polio Oral Vaccine Program Set Sunday

Hours 11 a.m. to 5 p.m.
At 15 Area Centers;
Available To All

(Farm on Page 287)

Hundreds of volunteers will participate in Sunday's oral polio immunization stations from 11 a.m. to 5 p.m. throughout the Quad-Cities with thousands of doses expected to be administered.

At each station, a physician will be present to answer questions, and in addition to volunteers from local clubs and organizations, there will be nurses and pharmacists present.

Madison county March 10, Dimes chairman, Mrs. E. Bigley, said the oral doses of the pleasant-tasting serum will be available to all Quad-Cityans, regardless of age. For those who are able to pay, donations of 50 cents for each dose will be accepted. To receive half-dollar large fish bowls will be on tables at each station.

A form required for children must bear the signature of a parent before the serum is given. They have been distributed through the schools and a copy appears elsewhere in this issue. Forms will be available Sunday at the stations.

The cherry flavored vaccine is administered in a small cup of water - two drops per person. For small infants, droppers are used. A second clinic will be conducted on a similar basis May 3 for the second and final doses.

For added convenience, nurses and pharmacists will give curb service to the crippled or aged who visit the stations and are unable to get out of automobiles.

110,000 Doses
In addition to the Quad-Cities, there also are to be stations at Edwardsville, Roxana, Wood River, Bethalto and Highland.

Mrs. Bigley said between 110,000 and 150,000 doses are expected to be administered, and that a St. Louis drug firm is keeping its supply house open on Sunday in the event the stations run out.

The central supply point for the county will be Coolidge Junior high school and a helicopter from Scott Air Force Base will be assigned here to fly supplies to the out-of-town stations.

In the Quad-Cities, the day will be operated by the Tri-City Amateur Radio Club.

Station Locations
Locations of the stations will be at the new Venice city garage on Madison street in Venice and the Madison Recreation Centers at West Third and Washington streets and Seventh street and Lee Lee avenue.

Venice Adding Registration To School Affidavit

A revised affidavit for the 1964 school election, in which all voters must be registered, was approved by the Venice school board Monday night. The new requirement is based on a 1963 state law.

Each voter must sign his name and address and affirm that he resides within School District No. 3 of Madison county, Ill., and an registered to vote in general elections from a residence located in the district. I am a qualified voter in said school district.

Copies of registration lists are to be obtained from Miss E. L. Hutz, county clerk.

The board formally called the election of two members for Saturday, April 11, and established a single polling place at the Knights of Columbus hall, 21st street and Edison avenue, between 5:30 and 6:30 p.m. Monday, it was reported by John Khig, building manager. There was no sign of forced entry.

\$85 Burglary At Grocery
About \$25 to \$30 in bills and \$10 to \$15 in silver were taken from the cash register in a burglary at Orey's market, 2900 West 20th street, it was reported Monday by Andrew Orey. An unknown number of fire cigarettes also was stolen. Entry was gained by breaking the glass of the front door, reaching in and unlocking.

Burglars took \$62 in change from the cash register and a two-dollar service box in the rear room at Bill's and Bill's service station, 2701 Madison street, Tuesday night. The burglary was discovered by officers on patrol who notified Bill Butler, proprietor. Entry was gained by breaking in and unlocking.

U.S. Grand Jury In Florida To Hear Counterfeit Case

Four Quad-Cityans who were charged with counterfeiting will appear before a federal grand jury in Tallahassee, Fla., where three of them were arrested on Feb. 22, it was reported by the U.S. Attorney's office of the Secret Service has to receive a date for the jury trial.

Two of the defendants have returned home after being released on \$5000 bond. They are William M. Davis, 37, of 3420 Aubrey avenue, and Ralph Harris, 44, of 2629 Madison avenue.

The other two were still trying to make good this week in Tallahassee. They are Howard, 22, of 2153 McKim street, and Amos Ray Gaskill, 22, 1925 Fifth street, East Madison.

Davis, who authorities said printed about \$250,000 in bogus bills, was released from Racin, Wis., where he was arrested on Feb. 22. He operated an offprint shop at 2012 East 20th street, where federal authorities were told he made the bills late in night on a "trial and error" basis, destroying most of them as too defective.

The other two were still trying to make good this week in Tallahassee. They are Howard, 22, of 2153 McKim street, and Amos Ray Gaskill, 22, 1925 Fifth street, East Madison.

Gov. Kerner, Local Chamber Oppose Costly River Dredging

Illinois Gov. Otto Kerner agreed this week with a stand maintaining adequate depth in proposed Mississippi River dredging could prove too costly to taxpayers, particularly in view of the availability of ideal Granite City port facilities of the Bl-St. Agency and the Tri-City Port District.

After examining an editorial which said the proposed dredging was a "trial and error" basis, Kerner expressed thanks for being informed of the situation.

A series of articles have been taken on the Tri-City Regional Port District. As you know, I have a personal interest in its conclusion and success.

"It would appear that with nature working on your side, the level is normal, the Corps of Engineers would be very objectively at the expense of a solution of constantly dredging. I hope you have sent copies to our Congressional delegation in order that they may be aware of the problems as they exist," the governor wrote.

Dredging along the western side of the river was opposed Tuesday night by the Tri-Cities Chamber of Commerce board, which went on record as opposing the use of federal funds to attempt to create an artificially deep waterway.

The support of the Illinois State Chamber and of legislators is being sought by the Interstate Route 270 turnoffs connecting with Route Three and Route 203. Other tourism promotion efforts also were made.

A Congressional action meeting at Indianapolis was reviewed by Samuel Meyer, who suggested that local residents write to congressmen and senators on double overtime pay, depressed area, urban renewal, and farm subsidy bills.

A speakers' bureau and other public relations programs are being activated, and the Chamber office moved to 1831 Delmar avenue is scheduled for March 31, services announced.

Reports were given on industrial development contacts in recent weeks; a proposed Granite City school bond increase; unemployment insurance; a proposed plan for the Chamber; and a proposed plan for the Chamber; and a proposed plan for the Chamber.

GC Mother, Daughter Killed in Southwest

(Special From Springfield)

The appointment of an East St. Louisian to fill one of two vacancies on the East Side Levee & Sanitary district board of trustees was announced today by Gov. Kerner.

He is Morris Campbell, who is a candidate for Democratic nomination to the board in the April 14 primary on the Mayor Field slate. He replaces trustee John Williams, who resigned recently and now is a right-of-way purchaser for the levee district.

Complete running on a state headed by board president Lawrence Tolar and George Duff, incumbents, both of East St. Louis, and William Eberhardt of Venice and Joseph Grant of Granite City.

The governor was unable to fill the vacancy created by the resignation of Rep. Daniel Costello because more than a year remained in Costello's trustee term, it was explained.

Quad-City Payroll For State In '63 Totals \$992,519

Quad-Cityans on the state payroll during 1963 numbered 136 who earned a total of \$992,519 according to informants who released this week from the office of Michael J. Howlett, state auditor at Springfield. A list of Quad-Cityans on the state payroll last year appears on page 3 and 31.

The mayor said such a code before summer sets in, he said.

\$81,000 Sewer Payment
The storm sewer project is about 75% complete, he added, and the council approved transfer of \$100,000 from the Chain Parkway bridge revenue and to the sewer fund to pay a \$81,000 bill currently due G. H. Sternberg, contractor, for work already completed.

The council instructed the local department to drop up heating and air conditioning code similar to those adopted by Granite City and East St. Louis. The code would prevent "fly-by-nighters" from operating in the city.

Razing Order
Razing of a 1 1/2-story frame building at 1304-6 Madison avenue was ordered by E. J. Miller, fire chief, as a fire hazard, and was approved by the council.

Owners were listed as Christ Popowicz, 1213a Madison avenue; Mrs. Sophia Veschoroff, Chicago; Norman and Victor Lee, Chicago; and Mrs. Sylvia Orsey, 3400 Terrace lane.

The order gave 10 days to appeal, and a non-performance of the order provides penalties of \$25 to \$200, renewable each five days.

Maers noted publicly given a St. Louis tree-planting program and added that Madison started the same thing five years ago. Alderman Raymond Kozielek said that trees in the Madison program are about \$2 cheaper and are better trees.

Meet Friday On School Bond Issue

(Chart on Page 3)
The Granite City school board will meet at 7 p.m. tomorrow in an effort to decide when to hold a bond issue election and what construction to include in the bond proposal. It will be a continuation of a meeting approved Feb. 25, and no new agenda has been issued.

A chart elsewhere in this issue gives data on Plans A, B and C which have been submitted for board consideration. A fourth possible program discussed by the board is shown as Plan D.

\$3,800,000 Tank Hull Order For Gen'l Steel

General Steel Industries, Inc., of Chicago, has ordered a hull and turret for the Army's M-40 medium tanks under a new \$3,800,000 contract announced yesterday by C. P. Whitehead, president.

The hull and turret will be produced at the firm's main plant in Granite City and shipped there to be begun in the future and continue throughout 1964. No increase in the plant's 2500 employment figure is expected.

24 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

Memberships was approved for Attorney Richard Allen, A15 TV Radio Sales (Elvis LeGrand), Pauline's dress shop (Mrs. Pauline Tegel) and Quad-City and Modern Cab Co. (Virgil Grant), all obtained by Chris Pashoff, Assessor Von Dee Cruse, Obligation of the City of Madison, and the City of Granite City.

Reports were given on industrial development contacts in recent weeks; a proposed Granite City school bond increase; unemployment insurance; a proposed plan for the Chamber; and a proposed plan for the Chamber.

Madison To Plan Repairs To Streets Along Sewer Lines

Madison city officials will meet soon with engineers to plan street repair and sewer line work as a follow-up to storm sewer installations, it was announced at a short city council meeting Tuesday night.

Sidewalks, curbs and gutters will be included in the program, Mayor Stephen Maers said. He added that motor fuel tax funds could be used to fund the west side of McCambridge avenue.

The programs should start before summer sets in, he said.

\$81,000 Sewer Payment
The storm sewer project is about 75% complete, he added, and the council approved transfer of \$100,000 from the Chain Parkway bridge revenue and to the sewer fund to pay a \$81,000 bill currently due G. H. Sternberg, contractor, for work already completed.

Mill Employees Aid Scholarship Foundation

Two new \$400 scholarships have been donated to the Granite City Scholarship Foundation by the Granite City Steel 30-Minute Club. This is the first time the 30-Minute Club has decided to use a portion of its funds for direct educational purposes.

In announcing the decision by the club's board of governors, chairman Carl Baccenas said, "The Granite City Steel 30-Minute Club every year is forced to turn down many deserving students from this area because of money. It is not available in the scholarship fund. We know that by helping two youngsters attend college, the 30-Minute Club will be operating in a truly charitable manner."

The Granite City Steel Co. itself has annually donated four \$400 scholarships to the Foundation.

Venice Father, Son Serve On Same Jury

One of the near impossibilities is occurring in the Madison county circuit court at Edwardsville this week as a Venice man and his son both are picked to serve on the same jury.

They are Sherman Cox, 533 Gower road, and his son, Allen Cox, 538 Slough road, who are jurors in a condemnation case involving an easement in Godfrey township.

Willard V. Portell, circuit clerk, estimated the odds of such an occurrence at two million to one.

It is a coincidence for the same jury, the two had to be listed on separate voter registration lists. When they had to be placed on the same jury which usually contains about 7000 names at any one time. The jury was then both to pick their names at random during the same drawing.

By another random selection, the names of two were drawn for particular case. Both were accepted by the judge and lawyers. Circuit Judge Joseph J. Barr is hearing the case.

Meeting Here On School Building Fire Safety Code

Wilbur R. L. Trimpe, county superintendent of schools, today announced scheduling of three meetings to be held to discuss the new school buildings safety code, which will be filed and will become a regulatory law some time before next March.

Architectural firms, fire departments, school boards and school administrators have been advised as to the time and place of the meetings. For the Quad-Cities, the session will be at 6 p.m. Monday, March 16, at the Rose Bowl.

For R. Richardson and Elmer D. Dalton, school building supervisors from the office of the superintendent of public instruction Springfield, will be present and discuss the new code. The discussion will deal chiefly with (1) responsibility of the county superintendent, (2) responsibility of school boards and (3) explanation of the new code as it affects new construction and as it applies to present buildings.

Artist Guild Contest Will Be Annual Event

The Granite City Artist Guild is making plans to sponsor an art contest each year. The initial competition was held this winter, with judging and a public showing taking place during the weekend. Awards earned in the contest will be presented this evening at the guild workshop.

The group will resume its regular Thursday sessions involving business discussions, painting and sketching. Its next guest speaker will be Robert Davis, who will teach ceramics to the members on Tuesday nights. Next artist to exhibit at Roderick's restaurant will be Patricia Ellen Skinner, who will display velvet paintings.

Rotary's Program On Social Security

Answers to social security questions were provided at a luncheon session of the Granite City Rotary Club Tuesday at the YMCA.

Ben Delaney, assistant manager of the East St. Louis social security office, spoke on who is qualified for what under the Social Security Act. Malcolm Thompson was program chairman.

President James Louis urged members to consider attending the forthcoming convention at Peoria.

Chamber Theater Duo To Appear At Alton SWIU

Gertrude and Robert Breen, man-wife chamber theater duo, will appear Saturday at Southwestern Illinois University's auditorium in Alton, 2809 College avenue. The program is open to the public without charge.

This is the "Story" is the title of the Breen's program. According to Miss Mary Belle Smith of SWIU's Fine Arts Division, "there is a new and captivating technique in chamber theater."

Cooling For Language Lab

Supt. Pier was authorized to obtain estimates on air-conditioning the Venice high school language laboratory, which is located directly over the furnace and must have doors and windows closed to maintain proper acoustics. The room chosen for the laboratory is considered otherwise ideal, since it is away from Broadway traffic noise, but it has proved to be too warm for comfort.

Word was received that the government has approved the language laboratory under provisions of the National Defense Education Act. The sum of \$3282 was received to renovate the school district for 26% of the cost.

An \$1160 settlement has been offered by the Barrett Roofing Co., which took over the bond on a part of the Venice school roof designed to hold impounded water. Cost of the roof replacement project will exceed that amount due to leaks that damaged four classroom ceilings last year, Supt. Pier reported. The 20-year-old roof is 19 years old.

The Maryland Casualty Co. has approved payments totaling \$828 on three articles of office equipment taken in a 1963 Lincoln school burglary. An electric typewriter was recovered and is in good condition, Supt. Pier said.

ENR! Enrollment Up

Possibility of buying a riding lawn mower was discussed, along with the possible need to expand the educable mentally handicapped program if enrollment increases continue.

A letter from Richard L. Toon, state supervisor of driver education, praised driving training classes conducted in Venice schools and commended current plans to obtain psychophysical testing equipment. He said the district is showing awareness of the role it can play in traffic accident prevention.

Bills paid totaled \$1332 in the educational fund, \$1640 in the lunch account, \$1130 in the building fund and \$381 in the transportation fund. Reports for February showed disbursements of \$1469 in the activity fund, \$480 in the revolving fund and \$2266 in the restricted fund.

Granite City PRESS-RECORD

Page 4 Thurs. Mar. 5, 1964

State To File \$2237 Lake Fish Kill Suit

(Special From Springfield)

The attorney general's office has been authorized to file a suit against Granite City Steel Co. for the amount of \$2237 on the basis of a Jan. 27 fish kill in Horseshoe Lake.

The department of conservation reports 11,788 fish were killed on that date, including 995 sunfish and catfish and 1 1/2 carp and minnow. In 1963 the state collected \$6065 from the plant on five similar charges. The fines go to the fish and game fund of the state.

Committee Meetings Set

Two Chamber of Commerce committees will meet on Friday. Stanley Schermer announced the billboard subcommittee of the public relations committee will meet at noon in the Granite City Steel office cafeteria to plan welcome and promotion signs while Gordon Hoerner announced the promotion group of the tourism committee is to meet at 10:30 a.m. at the C. of C. office.

School Supply Bids

The Granite City school district is seeking bids until 4:30 p.m. Tuesday, March 10, on custodial supplies, furniture, music equipment, industrial arts equipment, map rails, tackboard material, laminated plastic sheets, hardware and other equipment.

Church Easter Programs Will Be Published

The Press-Record again this year will publish the Easter programs for churches of the Quad-Cities.

The deadline for church pastors or secretaries to submit the information will be Saturday, March 14, and publication will be prior to the Easter season.

The articles may be either mailed or delivered to the Press-Record office, 1815 Delmar avenue.

Car Backs Into Accident

While backing out of a driveway at 2249 Monroe avenue at 2:25 p.m. Tuesday, a car driven by Ray E. Hydron, 31, of Collinsville, struck the right side of a southbound station wagon driven by Albert A. Barnes, 36, of 3029 Date avenue. Both cars were damaged. Hydron was charged with improper backing.

Ronald Snelson Buys Horn Auto Body Shop

Ray Horn, operator of Horn Auto Body Shop, 1822 Grand avenue, announced this week he has sold his business to Ronald Snelson of Breckenridge lane.

Horn, who lives at 1531 Lindell blvd., will remain at the business until Aug. 1, when he and his family will leave for a month's vacation at Ft. Lauderdale, Fla. "I'll decide after I return on what to do next," Horn said.

The new owner has mechanical experience.

Last Rites Tomorrow

For Geo. Andersen, 74

Funeral services here are set for 10 a.m. tomorrow for George Andersen, 74, retired Granite City Steel Co. blast furnace blacksmith, who died last Saturday at his home in St. Cloud, Fla. He had lived in Florida five years.

Further information is given in today's obituary column.

Musso To Invest \$2,200,000 Protest Tax Payments

County Treasurer George Musso announced today the investment of \$2,200,000 tax payment protest funds in 90-day, interest-bearing U.S. Treasury certificates and in various banks of the county.

He noted this was the first time for such an investment, and that the total is 75% of the protest tax funds being held by the county. The 75% figure is regulated by state law.

Of the total, \$1,000,000 is being invested in the U.S. certificates to draw about 3½% interest. The remaining \$1,200,000, which will be placed in banks, will bear 2½% interest. Musso added that should the county find it necessary to issue tax anticipation warrants, the rate of interest would be 2½%.

The protest tax payments being held by the county are mainly those of railroads and large industries. He said the interest will be placed in the county fund in the event taxing bodies of the county file suit to claim portions of the money.

The investment, Musso added, has been cleared by his bonding firm and is sanctioned by the county board finance committee, state's attorney, county auditor and his personal financial advisors.

The treasurer added that he will not place the interest fund in the county's general fund until he is given an official, written order.

Levee Board Approves Easement For FA 151

An easement over levee district property west of the Quad-City for new Federal Aid Route 151 (the riverfront road) or Granite City, expressedly was granted last night by trustees of the East Side Levee Sanitary District meeting in their office in East St. Louis.

The brief session, attended by the three remaining trustees, was presided over by Lawrence Tolar, and the board also gave approval to an ordinance to prepare detailed plans and call for bids by a Lansdowne area sewage treatment plant in St. Clair county. The plant is to have a capacity of 10 million gallons a day.

Referred to the board's attorneys was an agreement to settle for \$2400 an \$11,000 property damage claim to the Meyer family at State Park Place for flood damage to the home in 1961. Another claim for \$500 damage to a corn crop at the farm of Levi Ducharme in the Centerville township is still under study. The reported damage occurred at a sewer line was being installed adjacent to the corn field and dirt was thrown by a machine onto the crop.

In other action, the trustees, Tolar, George Duff and Thomas Hennessy, approved a \$202.50 payroll for the first half of February and a payment of \$6546 to Ketter Contractors for storm water sewer line construction at Alorton in St. Clair county.

Scout Executive Speaks

Edwin Menke Jr., new Uniwah Boy Scout district executive, outlined the aims and activities of scouting in an address to Madison Rotarians yesterday. The club discussed operation of vocational centers for the handicapped, and it was announced that A. E. Castellani is being treated this week at St. Mary's Hospital, East St. Louis.

No New School Filings

No new school board filings have been listed since Monday. Seven have filed for two Granite City posts, five for three Madison positions and two for two Venice posts. John B. Moss, 2012 Omaha street, obtained Granite City school petitions this week.

The serum is being kept in dry ice at St. Elizabeth Hospital and will be delivered to Coolidge school Sunday morning for thawing prior to administering.

Boy and Girl Scouts will serve as guides and helpers for the members of clubs and other organizations in order to speed up the administering. Police are being asked to direct traffic in the vicinity of the stations.

Cites Need For Industry

Economic growth and development and attraction of new industries to Illinois were cited as major 1964 Illinois election issues by Charles H. Percy, a Republican gubernatorial candidate, in addressing 60 Madison St. Clear counties industrial representatives at a luncheon yesterday at the Holiday Inn.

He was accompanied by John Helott and C. H. Sternberg, his Madison county and Granite City campaign chairman.

3 Hurt In Area Traffic Mishaps

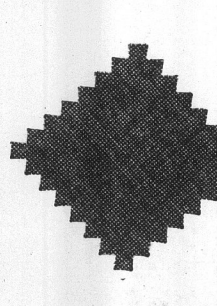

Bonnie Barton, 19, of 4220 Highway 162, was admitted to St. Elizabeth Hospital after a car she was driving collided with one driven by Briggs Thornton, 50, of Edwardsville, at 12:55 p.m. Wednesday at Lincoln avenue and Kate street.

She had injuries to the back and right hip. He was charged with failure to yield the right-of-way and posted his driver's license as bail. The left side of his car and the front of hers were damaged.

As she was trying to board a Bi-State Transit bus at 3:10 p.m. Wednesday at 19th and State streets, Rose Varze, 63, of 2206 Kirkpatrick Homes, was knocked to the pavement as the bus drove off. She was taken by taxi to St. Elizabeth Hospital where she was treated for bruises and was released. The driver of the bus was John Greenwell, 44, of Jennings, Mo., police said.

Nick Sazyk, 44, of 1429 Madison street, suffered bruises on the right side of his chest at 4 a.m. today when he apparently fell asleep while driving a pickup truck northward at 1230 Madison avenue, Madison. The right side of his car hit the left rear of a parked Gateway Transport Co. truck, whose driver was Gus Curtis, Rock Falls, Ill. The pickup truck was towed away and the transport truck axle had to be repaired at the scene.

Gas Station Group Membership Growing

With less than two weeks remaining before local gasoline operators will begin collecting the Illinois sales tax on March 16, an all-out drive to contact and sign every one of the 68 service stations of the area to membership in the newly-formed Quad-City Gasoline Retailers Association was decided upon at a meeting held last night at the Elks Club.

Thirty-seven operators were in attendance last night with five more operators signing. Each man on the 12-man organizing committee was assigned a number of unsigned operators to contact and explain the law involved in the collecting of the sales and to spell out the aims of the dealers' association before March 16.

The group deferred election of officers and a board of trustees until next week's meeting, Wednesday night at the Elks.

Local operators on the average have been paying the Illinois sales tax—out of their own pockets for many years—of around \$150 to \$200 per month, depending on the number of gallons pumped.

In an article following the school and gasoline dealers two weeks ago it was in-

correctly stated that Quad-City area dealers were losing an average of \$500 per month. The \$500 figure was related by a speaker, and was the average loss suffered by Chicago dealers prior to organization in January.

Collinsville Fights Off Scrappy Madison 80-70; Granite City Wins

Trojans Come Within 2 Points Of Kahoks In 4th Period

Madison's battling Trojans nearly turned the state championship dreams of the Collinsville Kahoks into a nightmare last night but finally lost a red-hot semifinal contest 80-70 at the Wood River regional basketball tournament.

"We're real proud of 'em," said Madison Coach Earl McClanahan. "I have no complaints at all."

His Trojans had just played the state's No. 1 team an even game for three and a half quarters before finally fading in the closing minutes. Four times in the first half, Madison had the lead and once in the fourth quarter came within two points of the undefeated (25-0) supermen.

The clincher for Collinsville didn't come until only three and a half minutes remained in the game. Peppy mighty Jerry Soehle stole the ball from the Trojans and scamp-ered down court for a lay-up that gave the Kahoks a 72-62 lead.

Coach Vergil Fletcher's winners now advance to meet to-night's Granite City-Edwardsville winner at 8 p.m. tomorrow for the right to move on to the Vandallia sectional.

What surprised most of the near-capacity crowd was Madison's rebounding prowess against the much taller Collinsville squad. Trojans' statistics gave the Kahoks only one more rebound (35) and one newsmen's figures gave the locals a 36-32 edge.

Senior Cecil Bell and sophomore Dale Turner paced the Madison offense with 27 and 20 points, respectively. Turner scored several of his seven field goals from a spot just left of the free throw circle.

"We figured their defense was a little weak in that area," McClanahan explained. His own team's defense, the coach said, was excellent.

"Like I said before the season, our success would depend

on our defense—and it happened to jell for us," he said. The Trojans finished with a 19-5 record, including a 10-0 record in the Midwestern Conference.

The key figure for Collinsville was 6-5 all-stater Rodger Bohnenstiel, who played the entire game save the last two minutes of the second quarter and the last 15 seconds of the last period.

After battling intestinal flu earlier this week, he was a doubtful starter. He sat out the Kahoks' pre-game drills to conserve his strength and was in the lineup at the tip-off.

Without his 28 points, 10 of them on free throws, the Kahoks would have been in serious trouble. Rich Moore added 17 points, Mike Cook 13 and Soehle 12.

And the Kahoks' future in the state tourney series brightened further when Dave Russell, a starter sidelined since Feb. 22 with a sprained ankle, showed he was able to play in the last 2:34.

The Trojans, too, got a big lift when star rebounder Paul Link entered the game in the first quarter and finished the game. The 6-2 sophomore had been sidelined with a knee injury since Feb. 11 and got the okay to play just yesterday.

From the opening moments, the Trojans showed their meat business. John Summers' free throw followed by his steal and pass to the driving Turner gave Madison a 3-0 edge.

The lead changed hands four times in the opening stanza with the Kahoks leading at the buzzer 17-14. In the second quarter, the count was tied three times before the Trojans went ahead 23-21 on Summers' drive-in. But then Collinsville got busy from the foul line.

Before the half ended, the Kahoks dropped in 12 free shots and gained a 43-36 advantage. And Bell, key to the Trojans' offense, had his fourth foul with two minutes left. Cecil, however, played the entire second half without being disqualified.

The Kahoks led through the entire third quarter, but the Trojans' Hayes Wright connected on a floater in the closing seconds to pull his team within four points at 61-57.

A jump shot by Turner opened the fourth quarter and the Trojans were only two points away. But, from that point, the state's No. 1 team gradually pulled away.

Madison ended with a 46% field goal shooting percentage (28-of-61) and Collinsville hit 51% (28-of-55).

Madison had advanced by trimming the Marquette Explorers 64-53 Monday night as Turner bucketed 21 points and Bell 19. The taller Explorers were stymied by the always tough Madison zone press.

The same night, Collinsville clobbered Roxana's Shells 86-41 behind Jack Darlington's 24 markers.

Warriors Vs. Edwardsville In Semifinal

With injury problems of their own, Granite City's Warriors meet the Edwardsville Tigers at 8 o'clock tonight in a semifinal contest at the Wood River regional basketball tournament.

The Warriors advanced Tuesday night by knocking off Wood River's Oilers 73-61. The Tigers surprised the Alton Redbirds 79-78 in the second game Tuesday. Tonight's winner plays in the 8 p.m. championship tomorrow.

MAJ has been said this week about the injuries hampering Madison (Paul Link's knee injury) and Collinsville (Dave Russell's sprained ankle), but Coach Andy Sullivan was forced to make two changes in his 10-man tournament roster due to injuries.

Jim Cant, an off-and-on starter, is sidelined with severely strained shoulder muscles and a bruised knee. Kambarian is out with a knee injury. So Sullivan had to substitute Larry Dillard and Mike O'Neill, who saved most of their action this season on the junior varsity squad.

"If we do play a couple of games and go on to the sectional," Sullivan said, "we could put Cant and Kambarian back in the roster."

Lilley Leads Way
Once again, Larry Lilley paced the Warriors' offensive attack. He hit 28 points against the Oilers and also was a key factor in the team's 40-20 rebounding edge, grabbing 10.

Jim Warren, who had six points, also had 10 rebounds, 4 and Mike Rousseau, who scored two points, took nine rebounds.

Backed Lilley in the scoring department was Elton Hall with 16.

A poor second quarter for Granite City enabled the Oilers to take a 28-27 halftime lead.

Warriors outscored their hosts 20-9 in the third period and coasted in from there.

Terry Brown, Wood River's standout guard, scored 21 points and tall Wayne Heine hit 20.

The Warriors hit exactly 50% from the field (24-of-48) while the Oilers made 36% (23-of-63).

Tigers Good Rebounders
Sullivan was coy about whether he'd rather face Alton or Edwardsville tonight. "Edwardsville," he said, "because we have to."

More seriously, he said: "They're similar in a lot of ways—defense, for example. Edwardsville has more size and better rebounding, but they're not nearly as dangerous offensively as Alton. Of course, you could say that about most of our club—Alton has three or four boys that can score 30 points against you."

Edwardsville, with a 5-13 record, lost its first Southwest Conference game to the Warriors 78-68 but won the second round game 81-70 with reserves playing much of the game.

Granite City has a 14-10 record. Leading the Tigers over Alton were Bob Harris with 22 points and Bob Hoskins and Dan Sness with 14 each.

Regional Sidelights

Bohnenstiehl A Big Newsmaker

A slight spelling change was noticed in the Collinsville Herald over the past couple of weeks. It wasn't anything the reader might readily notice, but to newspapermen — who value accuracy over all else — it was an eye-opener.

Suddenly, the Kahoks' all-star Roger Bohnenstiehl had become Rodger Bohnenstiehl. The added "d" in the first name occurred too often to be a typographical error.

So the question: Had the Kahoks' prize point-maker gone the route of Lucy Barnes Johnson (she now signs her autographs "Luci") or had sports writers all over the state — heaven forbid — been misspelling the name for the past two years?

The Press-Record checked with Bohnenstiehl at the Wood River regional and it turns out

By Press-Record Staff Photographer
RODGER BOHNENSTIEHL

that he's been Rodger all along. We passed the word around and noticed this week that Rog-

er has quietly become Rodger in several area papers. At least nearly everyone has been correct in spelling Bohnenstiehl — oops, Bohnenstiehl.

Collinsville Coach Vergil Fletcher (who, incidentally, sees his first name spelled "Virgil" and "Virgel") had some anxious moments late in the first half Monday night.

Starter Rich Moore conked his head against the brick wall while trying to save the ball from going out of bounds. After shaking his head a couple times, he was okay.

Fletcher already had Dave Russell, a stalwart on the bench with a sprained ankle, Russell was hurt Feb. 22 playing against Triad.

Bohnenstiehl made more news off-court than on in the first three days of the tourney. First, after he played only nine minutes against Roxana, there was speculation something was amiss. Yes, said Coach Fletcher, he had a touch of the flu and needed the rest.

Then Tuesday and yesterday, stories came out saying Fletcher was "not counting on using Bohnenstiehl against Madison on Wednesday or in the finals of the regional tournament if the Collinsville team survives."

Of course he played against Madison, but most observers agreed the big boy was moving slowly. Said Fletcher: "He could hardly get up and down the court."

Fletcher told the Press-Record Bohnenstiehl had a mild case of the flu last weekend and missed a couple of practices. Then after Monday night's Roxana game, he came down with intestinal flu and was out of school until noon yesterday.

A lad of 10 or 11 years marched up to the press bench prior to Monday's Roxana - Collinsville game, took a seat, brought out a tattered piece of notebook paper and wrote down the lineup.

After the boy diligently kept score throughout the first half, a newsmen asked him who he worked for. The Chicago Tribune, perhaps?

"For the Shells," he said, meaning the Roxana team. "But we don't win very much. The assistant coach in my Sunday school teacher — he lets me help out a lot."

He finally gave up late in the fourth quarter when the Shells trailed by 40 or so points. His favorite item finished with two wins, 21 losses.

The past last night's game got too hot for Madison Coach Earl McClanahan. Mac shed his coat and coached in shirtsleeves through most of the second half.

Granite City's Jim Warren is noted for his long jump shot, but he undoubtedly made his longest Tuesday night against Wood River. With only seconds remaining in the first half, Warren uncocked a shot from mid-court. Swiss and the Warriors were within a point at 28-27.

In the same contest, Wood River's Mike Grimley made the Oilers' last point of the season after the game was over. He was fouled just as the buzzer sounded and, while the players headed to the dressing room and spectators strolled out for refreshments, he sank his first free throw but missed the second.

In case your memory is short, Collinsville won last year's regional with a 78-55 walkaway from Alton as Bohnenstiehl scored 33 points. Alton had upset Edwardsville and Granite City to gain the finale.

Missouri U. Grants Warriors' Joe Hiles Football Scholarship

The University of Missouri has granted Joe Hiles, star half-back on the Granite City high school football team, a full four-year athletic scholarship.

Hiles told the Press-Record he was signed to a Big Eight letter of intent by Dan Devine, Missouri head coach, and Al Onofrio, assistant coach. The scholarship covers tuition, room, board, books and \$15 monthly expenses.

The 6-1, 185-pounder, who transferred here from Collinsville, was a member of the Press-Record all-Southwestern Conference team. He led the team in scoring with 58 points and gained 671 yards in 123 carries for a 5.5 average.

He also led in pass receptions with seven for 87 yards, completed three passes for 58 yards. Hiles filled in at quarterback when needed and did the punting and extra-point kicking.

At GCHS, Hiles is also a member of the basketball squad and is an outstanding shot-putter in track. He plans to study engineering at Missouri.

Bobby Price Takes Lead In Scoring For Missouri

Bobby Price of Granite City has taken over the scoring lead for the University of Missouri Tigers with 446 points.

Price hit 32 Tuesday night in a 74-50 victory over Iowa State. He now leads Ray Bob Carey, who has 441. The Tigers (13-10) and their season Saturday night at Kansas State.

YMC Teen Town Team Enters Decatur Tourney

The YMC Teen Town basketball team, with a won-lost record of 28-6, travels Saturday to Decatur for the Illinois District Four YMC tourney. The locals open at 10 a.m. Saturday against the Springfield-Decatur first round winner.

First and second-place finishers will advance to the state championships March 21 in Freeport. The team, coached by Jack McCoy, will leave tomorrow.

KARATE CLASSES begin at 7:30 p.m. Wednesday for men and women at the Y.M.C.A. Here Ed Cwikowski (left foreground), black belt in karate, shows Bob Kirth, black belt in judo, how to block and throw a punch. Looking on in background, left to right, are officers Sandra Basden, Leonard Fuchs, Don Hibbler and Joe Miller of the Y.M.C.A. Judo Club. Cwikowski is a first degree black belt, having studied karate in Japan. He was the first teacher of karate here and taught many persons who are now teaching the method in the St. Louis area.

Venice Park Board Looks To Boys' Baseball Season

Plans for the coming Khoury League baseball season are currently being made by Venice park district commissioners. The boys' league is operated in conjunction with the Madison city playground and recreation department and the Venice and Madison Lions clubs.

Marion Creshong, park superintendent, said the Venice district had six teams in the league last season and there are hopes of adding more teams in 1964. The season will open after school is dismissed for the summer. The commissioners met Tuesday night and discussed preparation for the season, including work on the three Venice baseball fields.

Zoning For Car Wash, Dream Villa Pose Problems For GC

Decisions were deferred in two zoning control problems presented to the Granite City Council Monday night.

First to be aired was the location of a do-it-yourself coin-operated car wash at 1515 Johnson road in an area zoned C-1 (commercial) and the other was a request by Henry Ross for approval of the third addition plot for Dream Villa, outside the city limits but subject to city zoning controls.

Harold Mainor, developer of the car wash with Conrad Bauer, told council members the operation was approved by the City Planning Commission and a \$14,500 building permit was issued for a 24x78-foot painted steel structure on the 100x400-foot lot.

It was pointed out the operation had not received the approval of the council's Planning and Zoning committee, but chairman Donald Partney said a majority of the committee members favored the construction even though a car wash

was not listed among the businesses for a C-1 classification. He said service stations were included, and that autos are washed at service stations.

Objections Raised
Objections were raised by Eighth Ward Alderman Earl Thompson and Ford Johnson, who said residents of the area were opposing the car wash which would be on a vacant lot between dwellings. It was pointed out the entire block was zoned commercial and the home owners knew it. Alderman Casper Skutumpah said he had heard another individual was planning to build a car wash building at the east end of the block.

Partney said the committee recommended approval provided vehicles entering and leaving the car wash would be restricted to right turns only and that a catch basin was installed to prevent silt from entering sanitary sewers.

Johnson said the right turn restriction would be discriminatory, since left turns were permitted at service stations and other businesses in the vicinity. Traffic congestion was aired by the council, and John Petish, 3227 Carlson avenue, pointed out he lived across the street from the proposed location and that the street would be used heavily by motorists seeking to

avoid the Johnson-Nameoki-Fehling road intersection congestion.

Equipment Purchased
Mainor said that with the issuance of a building permit by the city, he and Bauer had gone ahead and purchased equipment. He explained the operation would take 80 cars of the street at one time and that equipment motors would be inside the building.

He stated that he could modify his request and install a gasoline pump to meet the service station classification in the zoning code. Thompson objected to this idea, but said perhaps the zoning code C-1 section could be amended at a future date to include car wash operations.

Unable to reach a decision, the council agreed to hold the matter in abeyance.

Council Unable To Decide
The request by Ross also was presented to the council by Partney, and while several motions were made, all were withdrawn in favor of deferral until further study could be given the proposal.

Ross said he does not want to be annexed to the city since he has 39 Dream Villa lots in the city with sanitary and storm water sewers and a lift station for the 39 unsold lots, and while sanitary sewer service per lot would be \$156, compared to \$325 for a septic tank, he preferred to install septic tanks.

"As you can see," Ross said, the initial expenditure would be quite a saving, but the result, an added liability with the possibility of a great financial loss."

Could Be City Liability
Council members stressed the area developed with septic tanks could prove costly and a great liability to the city in the event of future annexation. They pointed out the area would be without the garbage and trash collection, police and fire, and sanitary and storm water drainage provided by the city and that the ground could become saturated with sewage in a short time.

"To take it in at a later date would be at a far greater expense to the city, while if the annexation was now, the area would be paying its own way," Alderman G. H. Sternberg pointed out.

Partney recommended the council turn down Ross's proposal. "The county also will turn him down and he will just have to take us to court."

Ross said natural drainage for the 20-acre tract is toward Granite City, and he added that the Goebel addition, which also is outside the city limits, has a drainage connection installed by the East Side Levee & Sanitary

District to its Nameoki storm water ditch.

Alderman Gabrielle Bettencourt commented that annexation is desired by most communities and should be followed here.

Mayor Davis pointed out that five aldermen were absent and suggested referral. The council agreed to defer action.

C. Q. Barnett, Former

Quad-City, Dies
Mr. and Mrs. G. C. Mezger, 18 Riviera drive, have returned from Decatur, Ind., where they attended the funeral of Carl Q. Barnett, 67, a former Granite City man. He died of a kidney ailment.

Reidelberger Named Top Probation Officer

James Reidelberger, 810 Third street, Venice, was appointed as chief probation officer of the third judicial circuit court this week by Chief Judge James O. Monroe Jr.

The selection was made by court order after consultation with all circuit judges.

Reidelberger, 38, formerly was director of the Madison county family court and court services juvenile probation officer before the state's new judicial amendment took effect on Jan. 1. He is president of the Illinois Probation and Parole Association.

As president, he instituted a study of probation and parole procedures in Illinois counties to assess the quantity and quality of the procedures and to assist the General Assembly in implementing parole and probation legislation relating to the court reorganization.

MRS. DELORES BOSWORTH
623 Lincoln Avenue
TR. 7-6488

Cadet Girl Scout Troop met Monday afternoon with the leaders, Mrs. Mary Massman and Mrs. Zelma Hart, at the home of Mrs. Hart. The meeting was opened with the Girl Scout promise, and a discussion was held on oral polio vaccine.

The girls worked on "bunny boxes" and discussed the cookie sale. Those present were Shari-line Hundley, Debbie Fechte, Barbara Hackney, Judy Camarata, Sue Scherrie, Sue Sherfy, Mary Tucker, Judy Johnson, Linda Presswood, Libby Hackney, Vicki Hundley and Brenda Long.

BUSINESS MEETING
Venice Rebekah Lodge 570 met Monday evening at the Odd-fellows hall. The noble grand, Marie Zeigler, conducted a regular business session. Those present were Luella McCold, Edith Carpenter, Thelma Johnson, Martha Watson, Nell Montgomery, Carol Armes, Laura Belle Benson and Ethel Dunnivant.

The Sunbeam band of First Baptist Church met Monday afternoon with the leaders, Mrs. Gladys Nash and Mrs. Eva Ferrell. The lesson was on the mission study book, "Blue Flowers." Present were Jayne Metzger, Ronald and Donald White, Dwight and David McDaniel and Billy Dollins.

VISIT SHUT-INS
The Women's Missionary Union of First Baptist Church held a Day of Prayer for Home Missions Tuesday at the church.

Following the morning session, a covered dish luncheon was enjoyed and, in the afternoon, the group visited shut-ins. Those attending were Mesdames Gladys Nash, Eva Ferrell, Beulah Decker, Marie Zeigler, Anna Persing, Richard Armes, Ida Beyer, Mildred Bryant and June McDaniel.

MRS. COWLEY HOSTESS
Mrs. Frances Cowley was hostess for a meeting of the Yaw Yak club Monday in her home on Lincoln avenue. The evening was spent at games, and a prize was awarded to Estella Bone.

Each member signed a card to be sent to Ethel Moore, a member who is in DePaul Hospital. Luncheon was served by the hostess to Dorothy Scarlett, Grace Backs, Fern McMonigie, Faye Smith, Clara Simmons and Beulah Sizemore.

PLAN GIRL SCOUT WEEK OBSERVANCE
Neighborhood One, District Four of the River Bluffs Girl Scout Council met Monday evening at Dunbar school. The neighborhood chairman, Miss Dorothy Hinson, conducted the meeting and it was announced that the girls will attend church in uniform on Girl Scout Sunday, March 8.

Outdoor Day will be held March 14 and a tree will be planted in a Granite City park. The international hot lunch dinner will be held at Central Christian Church in Granite City Mar. 21, and neighborhood One will represent Holland.

"Bunny boxes" will be delivered to the Alton State Hospital on Palm Sunday. Cadette scouts will hold a camporee at Camp Lakota in April. It was announced that the scouts will be given souvenirs at Car's during Girl Scout Week.

The Dunbar leaders were hostesses, and refreshments were served to Leavelle James, Mabel Dandridge, Zelma Hart, Norma Hillmer, Lucille Mossa, Marietta Wambaugh, Leavira Weston and Hilda James.

CYC DEANERY DANCE
The CYC of St. Mark's Church met Tuesday evening in the school basement. The meeting was conducted by Ignatius Shambrro and Jack Fields, and reports were given.

Plans were discussed for a deanery dance to be held Apr. 12 in the school basement. Purpose of the dance is to acquaint seniors with the group and encourage them to join. Committees were appointed and they are: decorations, Eddie Foley and Gloria Ponce; refreshments, Jack Fields and Harold Koelker Jr.; invitations, Meridel Foley and entertainment, Marie Shambrro.

Plans were made for a communion breakfast Apr. 12, with Bill Shambrro as chairman. Others present were Charlotte Koelker, Mary Lou Shambrro, Frances Mangi and Frank Barlett.

HOLY NAME PLANS DINNER
The March meeting of the Holy Name Society of St. Mark's Church was held Tuesday evening in the church basement. The president, Dominic Scaturro, conducted the business session and reports were given. Final plans were discussed for a corned-beef and cabbage dinner to be held Mar. 15. Ignatius Shambrro, president of the CYC, was present and thanked the group for its assistance in the recent basketball game. Funds from the game went to the newly-organized CYC group. The meeting was attended by 15 members.

GC To Be Without Liability Insurance After Saturday

Granite City council members agreed Monday night to permit the city's liability insurance policy to be canceled Saturday without having any such insurance for a period of time.

Meanwhile, the Finance Committee, headed by Alderman Paul Rutledge is to continue its study of such policy in an effort to provide coverage for the city.

The city's workmen's compensation policy for all city employees except police and firemen is to be kept in force.

Rutledge reported Monday night that a new liability insurance policy would cost the city \$20,000 to \$36,000 a year, provided on the type of coverage desired. His committee, he said, recommended the council wait six months to a year before getting a new policy to give the city time to continue its study.

City Atty. George Klouff Jr. would be instructed to go to court with all damage suits filed against the city and to appeal where necessary.

Objections were raised by Alderman C. H. Sternberg and J. D. Bergfield, who said they believed the city should have such a policy. The present policy is being canceled because of the number of cases filed against the city.

Sternberg said he did not feel the \$20,000 premium figure was too costly considering the possibility of large damage suits being filed against the city.

The city is sued on numerous occasions resulting from falls on sidewalks or curbs or because a city vehicle may be involved in an accident. The present policy called for an all-out program to eliminate sidewalks and curb hazards, a project which the city has been carrying out over a period of years.

Con Man Trying To Bilk Public Aid Recipients

A man posing as an Illinois public aid official is attempting to extort money from public aid recipients, according to the office of Mrs. David Hance, superintendent of the Madison county public aid department in Edwardsville.

The man, described as "nice looking, nice appearing and very convincing," has been telling recipients that the state public aid department is requiring a sprinkler system for their homes. He then demands a \$25 deposit.

If complaints are made or if he is questioned, he leaves immediately, the office said.

An official said the department did not know how the man discovered who was on the relief list and does not know how many persons have been contacted. It was believed the same person has tried the same maneuver in other counties.

THOMAS URBAN, a son of Mr. and Mrs. Anthony C. Urban, 2156 Pontoon road, a senior student at Chaminade College, 425 S. Lindbergh blvd., in St. Louis, who will participate in the fashion show to be held in the school gym this evening and Friday evening.

We would like you to meet
Mr. Smith of Granite City.

Joe, how long have you
been playing the Lowrey Organ?

About 6 months.

Joe would you
demonstrate for us today some
of the many fine voices possible on the
Lowrey?

How about a clarinet;
I just push this button and
my Lowrey sounds like a clarinet.
A trombone;
Yes, a Lowrey can sound like a trombone.
Here's a flute,
and a Hawaiian Guitar
which I use the Lowrey Glide.

That was an interesting sound
how did you do it?

By using the "glide" control, an
exclusive feature on the Lowrey I can "bend"
the notes.

Thanks Joe
for showing us just a few of the many voices
of the Lowrey, it sure looks easy.

I think you'll be amazed at how easy the
Lowrey would be for you to play. Stop by
today at Jack Johnson Music, 1920 Edison Ave.

or phone TR 6-3080. Find out how
easy it is to own and play a Lowrey Organ.

DANCE FOLLOWS MEETING
The Horseshoe Lake Rod and gun club held a monthly meeting Sunday. Among some of the issues voted on were higher dues, which were rejected. A dance was held after the meeting and about 100 people attended.

Mr. and Mrs. Don King and son, Don Jr., were visited Sunday by Mrs. King's grandmother, Mrs. Nellie Hattmann, higher members present were Bobby Carson, Randy Wright and Clifford Baker. The meeting closed with prayer by Lewis.

There is no joy and no peace which can compare with the joy and peace of him who is understood and forgiven.

RA'S ELECT OFFICERS
Royal Ambassadors of First Baptist Church met Tuesday evening with the leader, Joe Jackovich. The meeting was opened with prayer by Darrell Harbison. Steve Stagner read reports, and discussions followed on the RA uniform and flag, a camping trip and the coming revival, for which they are to distribute leaflets Saturday.

Officers elected were Jimmy Seay, president; Steve Stagner, vice-president; and Delmar Lewis, secretary-treasurer. Other members present were Bobby Carson, Randy Wright and Clifford Baker. The meeting closed with prayer by Lewis.

There is no joy and no peace which can compare with the joy and peace of him who is understood and forgiven.

Percy Favors Park

Charles Percy, GOP governor nomination candidate, told 35 delegates of the Tri-City Trades & Labor council last night that he favored development of Horseshoe Lake as a park and recreational center. He suggested initial work be carried out locally.

Percy, who was at the Labor Temple meeting from 6:15 to 7:05, said he would, if elected, endeavor to get more jobs in Illinois by attracting new industry to the state.

He was questioned by the delegates on the right-to-work law and said he did not favor one for Illinois. As to the Horseshoe Lake park, Percy did not specify what could be done locally, but he is aware that the Horseshoe Lake commission is studying the possibility of forming a conservancy district.

HONORED AT SHOWER
Mrs. Becky Torres, 1646 Olive street, was honored with a surprise shower Tuesday evening given by Mrs. Mary Schmitt, 1614 Maple street.

An inserted sheet cake decorated in white with colored ribbons served as a centerpiece on the buffet table.

Games were played, with prizes awarded to Mrs. Kathleen Aleman, Mrs. Carmen Breckner, Mrs. Joyce Carr, Mrs. Jenny Cook, Mrs. Mary Ann Domitrovich and Miss Helen Valencia. The honoree received many gifts.

Adelle Breckner, Kathi Domitrovich, Judianne Domitrovich, Lupa Aleman, Kelly Renee Aleman, Annette Torres, Mary Michelle Carrazales, Harvey Breckner, Teddy Domitrovich, Peter Aleman, Christopher Aleman, Benne Camacho, and Mrs. Joseph Anthony Carrazales and Gilbert Carrazales Jr.

MEET ON MAY FIESTA
The Mexican Honorary Commission held a special meeting Sunday afternoon at Annie and Ernie's rathskeller. The meeting was called to order by Vice-President Jose Martinez.

Plans for the May fiesta were discussed. The fiesta will take place May 9 at the Hungarian Hall, 1801 Spruce street. There will be a variety program, directed by Ray Bracomotes and Riva Ortiz. After the program, dancing will be held, with Latin American music featured.

Refreshments were served to the ten members present. Next regular monthly meeting will take place Sunday at 2 p.m.

JUNIOR SCOUTS MEET

Junior Girl Scouts of Troop 160 held a weekly meeting Monday evening at the Washington school cafeteria. The meeting was opened with a song and they talked about their "bunny box" project, cookie sales, the coming FTA program and new projects.

Twenty-eight members were present with the leaders, Mrs. Virginia Kessler and Mrs. Josephine Jung.

Den Five of Cub Pack 19 held a weekly meeting at the home of Mrs. Elsie Whitehead, 2917 Roosevelt avenue, Tuesday evening. The boys practiced for the coming pack meeting and played games. The meeting was closed with the song "Yell, and refreshments were served to Dennis Johnson, Wayne Whitehead, Billy McKee, Mike Holloway, Dennis Revelle and Ricky Smith.

FOURTH BIRTHDAY
The birthday of Kimberly, daughter of Mr. and Mrs. George O'Dell, 1709 1/2 Elizabeth street, Madison, is being celebrated with parties given in her honor, the most recent on Sunday. Many gifts were received by the four-year-old.

Attending were the grandparents, Mr. and Mrs. George O'Dell, Mr. and Mrs. James Maske and children, Donna and Donny, Mr. and Mrs. Marion Maske and children, Gary, all of Shobonier, Mr. and Mrs. George Pfaff and children, Joyce, Karen and Mrs. Robert Gipson, Mrs. Lorraine Gipson, Mrs. Effie Cleveland, Donice Friend, Mrs. Anna Howard and daughter, Susan, Mr. Townsend and daughter, Debbie, Mrs. Jordan Rapoff and son, Chris, Mrs. Pearl Keck and daughter, Sandy, Mrs. Dorothy Loerch and daughters, Juanita and Lena Rae, Mrs. Margaret Garrison and daughters, Gloria and Gale, Mrs. Shirley Dutko and daughter, Carla, Miss McFarlin, Mrs. Delores Kuller, Hugh Stewart, Rudy Rangle and Vicki and Carla Meyer, all of the Quakertown.

Turkey and all the trimmings were served along with a decorated cake and ice cream.

CHOOSE OFFICERS
The Annie Dunn girls' group, Temple Baptist Church, met Tuesday. Miss Mary Ann Chamberlain offered prayer and the meeting was called to order by Miss Stevenson.

Officers elected were Shirley Teator, president; Mary Lou Champion, vice-president; Peggy Gibbs, secretary; Connie Adams, treasurer; and Vickie Thompson, class reporter. Group leaders elected were Laura Lee Christian for the young people's class and Glenda Horn, intermediate girls' class.

For the class classes, they chose red and white. Rose will be the class flower. Scripture memory is "God Is Love" and "The World" and the class hymn, the dove. Next meeting will be in the home of Shirley Teator.

SCOUTS ATTEND CHURCH
Patrol Three opened a weekly Girl Scout Troop 170 meeting with a flag ceremony in the lunch room of Louis Baer school this week. Eleven of the scouts will assist with the oral vaccine in Venice Sunday.

The leader, Mrs. Jackie Fritz, reminded the girls of Girl Scout Sunday this Sunday. A 7:30 Mass is being held at St. Mary's, St. Louis. Rev. Harry Calkins, of the First United Presbyterian Church of Madison will hold special services Sunday morning.

Knots were worked on by part of Patrol One and Patrol Two. One closed the meeting with a song. Present were Jackie Adams, Kathy Bradford, Maria Bradford, Phyllis Fritzell, Christine Kelly, Norma Kelly, Sharon Morgan, Connie Piechowski, Deborah Votappal, Karen Wangaugh, Ruby Young, Angela Richardson, Maria Cannon, Lois Kuntz, Laura Wilson and Susan Gray.

BAND PARENTS MEET
The Madison Grade School Band Parents club met Monday evening at Madison Junior High school with the president, Mrs. Jo Hulse, presiding. A report was made on a recent chili supper.

Announcement was made of a solo and ensemble meet to be held Mar. 21 in Alton.

Hostesses, Mrs. Dorothy Sabo and Mrs. Mary Lassen, served refreshments. The next meeting is to be held Apr. 16.

YOUNG ADULTS MEET
Mrs. Eugene Beasley was hostess to the Young Adult Missionary Society in the parsonage of the First Methodist Church Monday. The members arrived with favorite dishes for a pot luck dinner.

Deviations were given by Mrs. Beasley on "How To Kill Your Church." A discussion followed the topic.

Present were Mrs. Erma Graves, Mrs. Lorraine Creighton, Mrs. Eva Clemens, Mrs. Thelma Black, Mrs. Ruby Koller, Mrs. Virginia Vandermark, Mrs. Avis Richardson, Mrs. Doris Patterson, Mrs. Kathryn Jones and Mrs. Ruth Vaughn. The group will meet again April 6 for a monthly meeting.

NEW SUNBEAMS ENROLLED

The Vivian Wilson and Frances Diaz Sunbeam band met Sunday morning during worship services at Second Baptist Church. Mrs. Charlene Sanders was in charge of the program. Barbara Kudelka led prayer.

The Sunbeams sang and Mrs. Jean Wyatt told the story, "Padre at Night." A game was played and refreshments were served. The children colored Easter rabbits and baskets of flowers, assisted by Lenore Welty.

Visitors were Pamela Wyatt, Nancy Sanders, Reuben Wyatt, Denny Turck, Mark Wilson, Debbie Kudelka, Cynthia Wyatt, Ewe Wyatt, Ricky Carpenter and Robin Smith. Two new Sunbeams enrolled were Bruce Crown and Lance Whitson. Others attending were Michael Turck, Susan Welty, Cynthia Wyatt, Vickie Campbell, Paula and Barbara Kudelka, Gary Dacus Jr., Douglas and Janet Smith and Laurel Austin.

ELIZABETH CLASS MEETS

The Elizabeth class of Second Baptist Church met Monday evening. Mrs. Frances Arthur, president, was in charge of the business meeting. Mrs. Delores Ayres, teacher, gave the devotion, entitled "Love—How It Affects our Lives from Birth to Death."

The ladies held a quarterly gift exchange. Mrs. Arthur, hostess for the evening, served refreshments to Mesdames Isaac Burnett, Jerece Lawell and Alma Burnett, and Mrs. Ayres.

END MISSION STUDY

World Friend Sunbeams of Second Baptist Church met Tuesday afternoon to conclude a home mission study. There

was a display of Indian books, pictures, curios and booklets made by the children. Allen Newberry led opening prayer, followed by group singing. Miss Evelyn Barnes, leader, told the last chapter of "Blue Flower," and led the children in reading the poem, "Blue Flower." The group discussed a Bible verse and reviewed previous stories through a "fishing" game. Miss Jean Anderson led prayer at refreshment time. Perfect attendance awards for the five-week study were presented to Bradley Crown, Denise Whitson, Margaret Yates, Gary Lewis, Johnny Snider, Christine Smith, Allen Newberry, Randy Mitchell and Donald Mayes. Others present were Robin Smith, Wanda Frost, Beverly Bellman, Debbie Withers and visitors, Mrs. Newberry and Robert Lewis.

CLASS MODELS HATS

The Homemakers class met at Second Baptist Church for a monthly meeting this week. Mrs. Carrie Jurgens presided. Mrs. Father Shovers led opening prayer and Mrs. Frances McGee gave the devotion and prayer.

During the course of the evening, "crazy hats" were modeled. The hostesses, Mesdames Joyce Smith and Ruth Snyder, served refreshments at tables decorated with lamb-shaped cakes and Easter eggs. Mrs. Arlene Smith gave closing prayer.

Others present were Mesdames Muriel Polovich, Jeanette Scarborough, Dorothy Bauer and Lenore Welty, and a visitor, Mrs. Rachel O'Guin.

Mrs. Ella Lindner, 204 Rock road, returned home Monday from the Missouri Baptist Hospital, St. Louis, where she underwent surgery last week.

HOME MISSIONS PARTY FOR SUNBEAMS, PARENTS

Virginia Wingo, six-year-old Sunbeams and Evelyn Owen, seven-year Sunbeams met at Second Baptist Church Tuesday

for a home missions party. After meeting in their groups and bearing the last story of "Blue Flower," the boys and girls were joined by their parents.

Mrs. Betty Lewis, Sunbeam director, was in charge and Mrs. Beverly Crown assisted her. Mrs. Lewis gave opening prayer and songs were sung by both groups. The seven-year group recited Bible verses and the younger group sang missionary songs and presented an Indian scene with Kevin Crown, Patricia Davis and Mrs. Lewis.

Guests for the evening were Gary Wigger, Patricia Davis and Frances Welty, who told about the years when they were Sunbeams and what they had meant to them. Mrs. Lewis presented awards to members of the Virginia Wingo group for attendance: Nancy Sanders and Marie Snider had attended every meeting since October, with Vickie Welty, Debbie Davis, Debbie Freeman, Theresa Gilliam, Ann Snider and Kevin Crown also honored.

Mrs. Lewis closed the meeting with a talk on the life of Miss Pauline Cammack, whom the boys and girls know as "Blue Flower." Miss Cammack is retired from active work as a Southern Baptist missionary among Indians, but still does language work among the Navahos. Mrs. Lewis and Mrs. Charlene Sanders gave prayer, and refreshments were served, after which the members and parents viewed handwork and displays made during the study.

Present were Mrs. Ruden Snyder and Ann, Mrs. Charlene Sanders and Nancy and Norman, Mrs. Lorraine Whitson and Julie, Mrs. Jean Wyatt and Pamela and Robin, Mrs. William Smith and Brenda, Mrs. William Freeman and Debbie, Mrs. Edna Reynolds and Dennis, Mrs. Wilma Gilliam and Theresa, Mrs. Lenore Welty and Vickie, Mrs. Mary Ann Cook and son, Buzz.

COURT OF HONOR
Junior Girl Scout Troop 221 met Tuesday evening with Mrs. Ethel Getteman. The meeting opened with a flag ceremony pledge to the flag and a song. The group rehearsed a play for the PTA and held a court of honor.

Girls receiving badges were Judy Meyer, Judy Baker, Susan Paschedag, Mary Tridion, Charlene Kennedy, Mimi Midyett, Elaine Roostio, Sandy Deatherage and Sally Getteman. A question and answer session was held, and refreshments were served. Others present were Jean Fandauer, Vickie Paterson and Sharon Jones.

50 YEARS AGO

From The Files Of The GRANITE CITY PRESS-RECORD

MARCH 6, 1914
Mrs. Arthur Browning Lynn, 1247 N. Washington avenue, entertained Wednesday afternoon at five hundred and a luncheon. Among those present were Mesdames Vaughn, Grayson, Crag, Dunbar, Pauley, Steele, Schwartz, Delaney, Tulley, Cassidy, Carey, Ochrane, Smith, Elsenmayer, Young, Garschke, Gaylord, Kallenbach, Windsor and Stetzel and Misses Stetzel, Gaylord and McAnaney.

The event marked the first appearance in Granite City of the recently adopted style of collure for afternoon society functions, in which the hair is dressed high in cardinal color, effected by the use of colored powder. The color of the hair tended so as to include the eyelashes and eyebrows. Mrs. J. Philo Young announced with the collure of blue, and it was generally agreed that it was becoming and a new style.

The Granite City Commercial club held its monthly meeting at the Elks' dining hall Wednesday evening, with President W. J. Coudy presiding and committee members John E. Keenan, J. J. Keenan and Coudy reporting on their trip to Washington regarding coal rates. A donation was made to the high school basketball team to defray expenses at the coming state tournament.

The Labor, Peoples and Socialist parties will have white, blue and pink ballots for the city primary election in Granite City March 10.

The Young Folks' Society of St. John's Church, N. Main, will give an entertainment at the church hall Wednesday evening, March 11.

This area is going considerably more than its share of itinerants who go from St. Louis to this side of the river and set up camp on the streets or at the back doors in the residence districts.

The Bachelor Girls' club met at the home of Miss Jessie Walington Tuesday evening.

The Madison Presbyterian Church has scheduled Junior and Senior Endeavor meetings for Sunday and a Bible study for Wednesday evening.

The Woman's club gave a public demonstration of making chocolate cake and Swedish cookies Tuesday afternoon. Russian tea was served.

MARCH 6, 1939
Five Granite City high school students are eligible for the National Speech Tournament at Beverly Hills, Calif., next June as a result of the district National Forensic League at Charleston, Ill., held Saturday at Charleston, Ill.

The students and at events in which they may compete for national honors are: Joseph Brennan, extemporaneous, humorous and original oratory; Richard King, dramatic and humorous declamation; and Elmer Harman, dramatic and humorous declamation.

Al J. Mueller of Pontoon Beach, a resident of this community for many years, Friday night was employed as secretary to the Associated Business Men, succeeded by G. B. Usery, who resigned about six weeks ago to accept a better position with the Seiler Business Bureau in Pittsburgh, Pa.

The Forcible Arrest, located at 1901 Third street, N. Main, township, was held up and robbed of only \$4 shortly after 3 o'clock this morning by two men who made their escape before police could be summoned to the scene.

A kite contest for boys and girls 14 years of age and under will be held Saturday, March 25, at Wilson Park under the auspices of the Granite City park district and the recreation department.

The Madison Independent girls basketball team, sponsored by Harry Johnson, crushed St. Mary's team 21-6 Thursday night in the final game of the league to win the championship. On the team were Genevieve Renfrew, Bonnie DeWitt, Julia Travis, Eunice Hatcher, Sylvia Deneff and Mildred DeWitt.

George Eubanks, formerly of Granite City, who has been critically ill with a streptococcus infection at Cedarhurst, where he was attending school, has improved sufficiently to be taken home to his home in East St. Louis. During the grave part of his illness, he lost 25 pounds in five days.

The Happy Warrior basketball team, 1939 Southwestern Illinois Conference champions and holders of an impressive string of victories, bowed to the might of Edwardsville 26-19 and were eliminated from the Wood River regional basketball tournament in the semifinal round Friday night. Wood River went on to win the tournament.

Weak Performance Of Duties

By Area Delegate Candidate

Performance of Maurice Joseph as sheriff of St. Clair county is more than passing interest because he will be on the ballot locally for election as one of the delegates to the Democratic presidential nominating convention.

We note that although the Madison county sheriff was able to pinpoint the shooting of George "Buster" Wortman as occurring at a rural St. Clair tavern on Route Three south of East St. Louis, Joseph says he "failed to establish where the shooting occurred" and plans little or no further action, concluding that "let's just say we have made an investigation. He asks, "Is there any proof that it happened at?" naming the tavern listed by Madison county authorities.

Proof may not yet have been established, but it is interesting to note that Candidate Joseph had far less success in investigating his own county than did "outsiders," and even declined to say whether the rural tavern proprietor was to be questioned or whether "proof" was to be sought. No cooperation was accorded Madison county, no arrests are planned in regard to vending machine "muscle" tactics that allegedly preceded the shooting and no charges are planned against a doctor who examined Wortman's bullet wound but reportedly failed to submit the gunshot wound report required by law.

Mr. Joseph is regarded as likely to get quite a few votes in the Quad-Cities and to be chosen to represent this area at his party's highest function, the nominating convention. On the basis of recent events, however, it is clear that such support is not merited.

Downtown Area Deserves City Sidewalk Maintenance Program

Downtown merchants have a sound basis for requesting greater municipal attention to sidewalk repair and curb repaving and treatments in the main Granite City business district.

Now providing 17% of city tax income, downtown stores and offices have invested \$4 million in new and repaved streets in the past six years, further increasing property values and taxes, it has been pointed out by Al Barnes, Associated Retailers' executive director. They also have spent over \$20,000 to supply for street parking. And their patrons have provided the nickels and pennies that make up the parking meter fund, much of which has been diverted to general city purposes in recent years.

Although some meter receipts have been used for the downtown area, in the form of meter maintenance and salaries and traffic control, a good case can be made for maintenance of safe and attractive sidewalks. After all, it is from the downtown area that the meter income is derived.

The proposal merits serious consideration by the city government, not merely for the sake of the retailers but for the public that is served by the stores.

The 'Music Man'

Would Have Been Proud

The "music man" of Broadway fame has done a thorough job of encouraging the use of band instruments and uniforms, judging by the annual Madison county band festival in which 114 Quad-City grade and junior high school pupils received a day's training from the University of Illinois band director and then presented a public concert under his baton.

Formation of the mammoth "band for a day" calls attention to the popularity of music among school children of this county, and the large number of Quad-City youngsters selected serves as a favorable commentary on their ability and training.

Role Of Trial Witness Not Easy

Trials are much in the news these days. If the reader is one of those fortunate people who has never sued or been sued, he may still have had his "day in court" as a witness on behalf of a neighbor or friend, or even a stranger.

In that event, he will appreciate the feeling of jitters felt by the witness. The witness is not the plaintiff, the whole truth and nothing but the truth, so help me God.

If the individual is in that smaller category that has never been to court at all, he has yet to experience the flow of court procedure and the role of the witness on the other side when he looks at the witness.

Instead, increase the standard of the underdog plaintiff and the flow of court procedure and the role of the witness on the other side when he looks at the witness.

For the most part, the judge is not a superhuman being before whom one must kneel, although some judges tend to try to perpetuate such a view.

The average man or woman is not a superhuman being, but a decent, hard-working human being attempting to do a job to the best of his ability, but nevertheless a human being. An individual can count on getting a fair hearing, although some judges tend to try to perpetuate such a view.

Urgent That Suspects Be Brought To Trial Promptly

A study by the Press-Record of criminal cases pending in Madison county shows that many suspects in crimes committed last summer and fall have not yet been convicted or acquitted. In several instances, they have remained free on bond and have become involved in new crimes.

The situation does not necessarily reflect on the industriousness of the responsible officials, who have had the onerous task of handling the judicial system transition. But the listing of defendants still not brought to trial serves as an eloquent argument for proceeding as expeditiously as possible.

Each defendant must be considered innocent until proven guilty, but too long a delay in reaching a court verdict can allow a law violator to repeat his offense on additional unsuspecting victims. The fact that some are doing just that adds urgency to the issue.

Raise The County Tax Rate By New Law Or Referendum

Since a state supreme court ruling cut the Madison county tax rate almost in half in 1961, sharply curtailing services and spending, the county government has seen its responsibilities and financial needs increase even more.

Something must be done—either through a state law or a county referendum—to ease the financial squeeze; residents as well as officials have begun to feel the pinch.

Rapidly increasing in population and in the number of activities expected of government, Madison county has reached a 10-cent general tax rate per \$100 valuation at the time the high court said it must return to the 5.66-cent rate in effect a decade earlier. Beta were tightened in all departments and the county proceeded to make the best of a bad situation. It has continued to operate in the black with the aid of fund balances and revision of its fiscal year, but red ink or further curtailments lie ahead.

While pleased with this demonstration of economy, taxpayers realize that the impossible cannot be accomplished indefinitely. Soon, services may have to be reduced to such an extent that the economic well-being of the county is jeopardized. It could cost each of us more not to give the needed tax relief, in the long run.

No "new" tax is involved—only a tax that was already being paid and is necessary to keep this county moving forward instead of slipping backward.

Only Registered Voters Can Cast School Ballots

The voter registration deadline has taken on added importance this year because school election participation will be limited to those not only qualified but also registered to vote.

Unless Quad-Cityans register by March 16, they will be unable to take part in the Granite City, Madison or Venice school board elections this spring, or the Granite City school bond issue election.

Registration, of course, costs nothing. It is valid for four years. But unless a local resident takes the trouble to make sure he is registered, he can lose not only his vote in the April primary election on county and state office nominations but also his right to take part in school voting, due to action taken in the last Illinois legislative session.

An Educated Man

Criteria of an educated man—Ability to use and understand his native tongue in speech and writing to convey his ideas and thoughts clearly and effectively to others.

Ability to judge, compare, evaluate—in short, to criticize objectively—the ideas, thoughts and conceptions of other men, and to engage in creative thinking for himself.

Knowledge of the world and its affairs. Such knowledge is obtained through study of our own and other people's cultures, their languages, customs, laws, religions and history. Travel promotes and complements this knowledge.

Knowledge of the physical world and the universe in which he lives; meaning, of course, some understanding of the laws and forces of nature. Such knowledge includes all fields of natural science.

Knowledge of a profession or a vocation, to earn a living, to serve God and society as a competent and morally responsible individual.

No life can be barren which hears the whisper of the wind in the branches, or the voice of the sea as it breaks upon the shore; and no soul can lack happiness looking up to the midnight stars.

that the witness saw someone or something at a certain time and place. He may even describe it, within certain limitations. But he must not "imagine" or "think" or "believe" or "guess."

It is not that mean that he must necessarily "know" everything that is asked of him. Too often, witnesses make the mistake of assuming that, because a question is asked, they must have some ready answer at hand.

Avoid Being Trapped Frequently, the lawyer wants the witness to believe exactly that. If the witness believes he is in a trap.

A witness who has his wits about him will carefully guard himself from falling into such a trap. He will be asked questions for which he could not possibly have the answer. If he attempts to answer, he will find himself in trouble.

There is nothing wrong with saying, "I do not know" or "I do not remember." For some reason, witnesses are afraid of these phrases. But honest witnesses must frequently resort to just such answers.

30-Minute Parking Zone On Edwards Street

A 30-minute parking zone on the east side of Edwards street for a distance of 50 feet east of the intersection with N. Main street was approved Monday night by Granite City council members.

The zone was established by a resolution which sets a minimum of 30 minutes for parking on Edwards street for a distance of 50 feet east of the intersection with N. Main street.

GOVERNOR KERNER REPORTS

LAUNCH STUDY OF STATE ECONOMIC POTENTIAL

The Illinois Board of Economic Development has launched a two-year study of the state's potential for economic growth—a study which will help chart the course of our state in future years.

The study will assess the physical, economic and human resources of our state, as well as its needs, so that state government can more effectively program its services to the people.

All of the 102 counties and 1200 towns and municipalities in Illinois will be included in the study. It was made possible by \$642,000 federal grant, which the state is matching in the form of services by existing employees who are already engaged in the field of planning.

First Such Analysis The survey will provide the first objective analysis in history of the health and prospective health of the Illinois economy. It will also give us a scientific basis for coordinating the state's water resources.

Once we acquire basic economic data, we can begin to plan. We will be better able to anticipate population changes, social changes and economic changes primarily in response to opportunities for making a living.

What we discover where people are going, we will know where we should locate our economic development policies and other facilities that will be needed to serve our growing population.

The diversified nature of the Illinois economy makes it extremely difficult to forecast changes without the comprehensive information that this study will provide.

Maintain Close Watch Our diversity is an asset because downward trends in one industry are often balanced by upward trends in another. But to make use of this flexibility, we must be able to keep the economy of the state under close watch so we can adapt quickly to changing conditions and make such changes when they occur.

We hope to make this two-year study a part of a long-range program for the future that will involve planning for the next four to six years. Such planning has become a key element in the development of the state's water resources.

Once we acquire basic economic data, we can begin to plan. We will be better able to anticipate population changes, social changes and economic changes primarily in response to opportunities for making a living.

What we discover where people are going, we will know where we should locate our economic development policies and other facilities that will be needed to serve our growing population.

The diversified nature of the Illinois economy makes it extremely difficult to forecast changes without the comprehensive information that this study will provide.

40th Year Dinner Set Sunday At Sacred Heart

Sacred Heart Church will open the year-long celebration of its 40th anniversary as a parish with an "Amazon-style" chicken dinner Sunday in the parish hall.

Men of the parish who will cook and serve the dinner will be wearing jungle attire. Serving will begin at noon and will continue through the day. Tickets are \$1.25 for adults and 75 cents for children.

Gene Roberts is chairman of the committee in charge, and Amazon waiters will include Leroy "Red" Lanahan, Al Jansen, Roberts, Kenneth "Pat" Morrison, Al Noud and John Zotti. Rt. Rev. Msgr. Michael Costello is the pastor.

Other events in the celebration being scheduled include a festival on April 19, a dance at Collinsville park on May 8, a June jamboree June 12-14, a barbecue and ball game on July 19, a fashion show and party on Sept. 13, festivals on Oct. 4 and Nov. 14-15 and a Rose Bowl party on Dec. 13.

Parents Of Daughter

Mr. and Mrs. Gerald A. Sugg, Rural Route One, are announcing the birth of a daughter this week at St. Joseph Hospital in Highland. The infant, who has been named Diane Lynn, weighed seven pounds, 12 ounces. She has a sister, Carla, four years old.

GC Conferring With Bi-State On Bus Route For Anchorage

Extension of an existing Bi-State Transit Co. bus route into Anchorage Homes for the elderly is being sought by the city council with Alderwoman Gabrielle Belinac to confer this week with the agency's office.

Mrs. Belinac told the council she has made an initial contact, but will get in touch with the agency again this week to outline a more specific request.

Daniel Churovich, spokesman for the Anchorage Homes residents, told council members they hoped the East Granite bus now traveling over Edwards street could go the additional two blocks across Nameoki road over East 29th street. The service suggested would be at the following approximate times: 10 a.m., noon and 2 p.m.

"We don't want every bus to make the change but only those that would provide service for the elderly to get to their doctors' offices or downtown or to shopping areas. Otherwise they would have to walk two long blocks to get to the bus stops and many are not capable of doing that," Churovich said.

New Venice Township Budgets To Be Shown

Tentative 1964-65 budgets of Venice township will go on public display tomorrow at the township office, 1502 Fifth street, Madison, Supervisor Arthur W. "Cooper" Moore has announced.

The office is open daily from 9 a.m. to 4:30 p.m. for inspection of the budget. Moore said. Relief interviews are held only during the morning hours.

A public hearing on the budgets is planned for 7:30 p.m. Tuesday, March 31, and adoption by electors of the township will take place at the annual town meeting April 7.

Potential totals discussed have been \$127,600 for general assistance, \$42,900 for the general town fund, \$55,500 for the retirement fund and \$26,177 for the road fund, compared to 1963-64 totals of \$137,210, \$46,770, \$50,155 and \$32,949.

Instead of June 1 to May 31, the road fund fiscal year has been changed by the state legislature to conform with the regular township year, which in 1964-65 runs from March 31 to March 29.

Nameoki Township To Study Need For Dog Pound

Necessity of a dog pound in Nameoki township is to be studied by the town board of auditors prior to the next regular meeting of the board March 16.

Supervisor Harry Briggs called upon Herbert Foley, William Schreiber and Robert Strackeljohn to make the study and submit a report. The township could either build its own facilities and hire a dog catcher or could possibly work out a cooperative arrangement with the county or a municipal. Briggs said.

The supervisor was asked to call upon the East Side Levee & Sanitary District to investigate a complaint that dumping in an area along one of its ditches near the St. Clair county line is threatening to clog the ditch and cause flooding on the Mueller farm. Briggs said it is feared the debris is being carried to the dump from St. Louis.

The township's new budget is scheduled to be displayed at the town hall starting Saturday, and a public hearing will be conducted at 7 p.m. March 31. Briggs said no changes are contemplated other than a slight increase to provide additional funds for the Illinois Municipal Retirement Fund.

Last year's budget totaled \$64,245, of which \$31,000 was for relief and \$33,245 for town purposes.

Bill List, Payroll For GC Total \$41,159

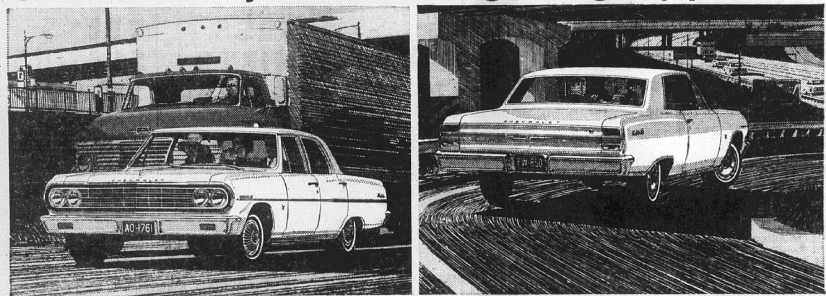

Bills and a half-month payroll approved Monday night by Granite City council members totaled \$41,159 of which \$32,071 was salaries for the first half of March and \$8,088 was for current bills.

Most expenditures on the list were \$2352 for employee retirement payment to the Illinois Municipal Retirement Fund for February; \$1476 to East St. Louis & Interurban Water Co. for February rental on 357 fire hydrants; \$1742 paid to Illinois Power Co. for street lighting. Maintenance, fuel and parts for city equipment totaled \$802.

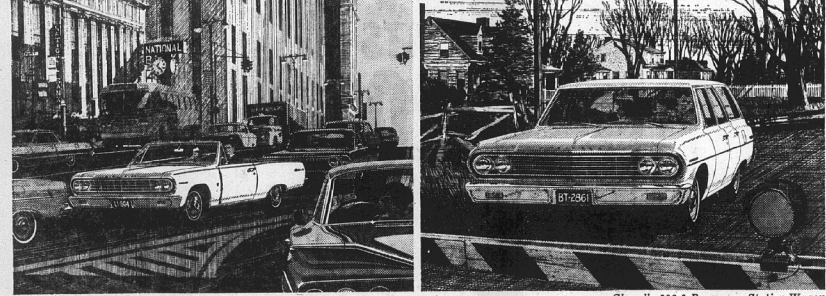

Expense allowances listed were \$197 for Mayor Davis for February, \$30 for Alderman Charles Moerlein and \$30 for Alderman Edmund Bartosik.

CHEVELLE! by CHEVROLET—a great highway performer

Malibu 4-Door Sedan Malibu Super Sport Coupe

Malibu Super Sport Convertible Chevrolet 300 6-Passenger Station Wagon

Chevelle balanced performance is best!

Passing, cornering, threading through traffic, sudden stops—Chevelle excels all around! Chevrolet's new surprise package has what it takes to meet any driving challenge: Six or V8 engines, hefty brakes, Full Coil suspension—and a trim size that makes the most of them!

We didn't just cook up a batch of engines for Chevelle and call it performance. You can get performance aplenty—standard 120-hp Six or 150-hp V8 for starters—and optional at extra cost there's a 165-hp Six, a 220-hp V8, even a new 327-cu.-in. V8! But Chevelle's performance means more.

Size, for instance. Chevelle's a foot shorter than the big cars. And the space Chevelle saves in size comes off the ends, not the middle. So it rides like you want a car to ride—comfortably—on a 115-inch wheelbase.

To give you the most out of this engine performance and riding comfort, Chevelle lets you choose Powerglide® 4-speed manual or 3-speed manual transmission.

And knowing it would strike the right note with a lot of different people, we gave Chevelle 11 models—in three series. Knowing how people like the custom touch, we wrote out a long list of extra-cost options. What's keeping you from a test drive? Certainly not your Chevrolet dealer!

Large Summer School Enrollment Possible

An enrollment totaling in the thousands is viewed as a possibility under revised summer school plans of the Granite City school district, which had a summer enrollment of 800 in 1963. Instead of \$25 for grade school pupils and \$37.50 a course for high school students, only a nominal fee is to be charged. Part of the financing will be provided by the state, and there will be no direct costs to the school district, although some extra wear and tear on buildings and some extra utility costs are likely.

Teachers are to be paid more than in past summers; current planning calls for the program to operate in the mornings only, and instructors would receive half of the daily salary normally paid during the September-June school term.

Savings Cited

An opportunity to "save money and save human resources" has been cited by School Supt. Harold M. Kaiser, who points out that some students planning long educations, such as prospective doctors, might want to save a year by completing the ninth-through-twelfth grades in three years. Savings also could result from a student who is close to failing keeping pace with his class through the aid of summer study, the superintendent believes.

He cites the reduced tuition as a factor in encouraging such self-help, and notes that the \$25-per-pupil fee charged in the past represented a substantial cost to a family with several children in school.

Foley, Davinroy Ending 46 Years On Venice Board

Forty-six years of school board experience in the Venice district will come to an end when current board terms of Thomas Foley and Leo Davinroy expire in April. "It's official," the two said in announcing their retirement plans at a board meeting Monday night. Their comments were witnessed by John Gonterman and Fred Durer Jr., school board candidates, who have the endorsement of all seven present board members.

Reporting that the decisions to retire were entirely their own, the two cited long service on the board in expressing their continuing interest in the welfare of the school system. Foley noted that his service together with his duties as Venice township clerk have limited the time that he has available. Davinroy is a former police magistrate and both have served as secretary of the school board. Foley is completing his 28th year as a board member, having joined the board in 1926. Davinroy's service dates back 18 years to 1946, records of Supt. John Plier showed.

Earlier Starting, Quitting Time Suggested For Council

A suggestion that Granite City council sessions start at 7 p.m., an hour ahead of the present starting time, was suggested Monday night by Sixth Ward Alderman William McGee, who pointed out that about 10:15 that two aldermen had departed to go to work, leaving the council with a bare quorum. No action was taken on the suggestion, as the remaining council members began a hassle over which committee would undertake the study to determine if a 7 to 10 meeting time would be more feasible than the present 8 to 11 p.m. schedule.

Mayor Davis informed McGee that the proposal would be given consideration. During Monday night's meeting, three aldermen advised City Clerk A. L. Stevens they would not be present because of night work on their regular jobs. Absent were Walter Storm, Edmund Bartosik and Clyde Boyd. Those departing for work about 10 p.m. were Charles Moerlen and William Dallas. Prior to adjournment at 10:30,

the remaining 11 council members were called upon to decide if approval should be given to contractor Henry Ross for development of a tract outside the city limits but within the 1 1/2 mile control limits of the city for joining and building codes. Mayor Davis pointed out that because five council members were absent that perhaps the council should make its decision at a later date. It was following this recommendation by the mayor that McGee suggested the earlier starting and quitting time.

102 Civics Students Visit GC Council

A lesson in city government was learned by 102 Granite City high school civics class students who attended Monday night's Granite City council session.

The instructor, Albert Lewis, said he was especially pleased with the turnout, which packed the third floor meeting rooms forcing many of the regular council-goers to stand.

"It was enlightening to hear the discussion about the cur wash problem along Johnson road for we have been talking about zoning problems in class," Lewis said, "and this gave the students an opportunity to hear just why zoning is necessary and some of the problems that arise."

The class departed en masse when the council took a "smoke break" about 9:25 p.m.

Quad-Cityans Help State Rank High In Fellowships

Illinois now ranks third in the nation in the number of secondary school graduates who later won Woodrow Wilson Fellowships, according to an educational survey released today.

The list of fellows includes Harry Leroy Stover, a Granite City high school graduate and 1958 recipient, and John Albert Sekora, a Madison high school graduate and 1961 recipient.

The Woodrow Wilson National Fellowship Foundation has just studied the secondary school origins of students elected to its fellowships since 1958 and found that 429 of them received their high school training in Illinois.

Thirteen secondary schools in the state each graduated six or more Wilson fellows. The numerical leader was New Trier high school in Winnetka with 22 winners.

When the number of fellows graduated was compared to the relative size of graduating classes, University high school in Urbana took the lead, followed by University of Chicago high school.

Altogether, 127 public secondary schools in Illinois graduated 267 Wilson fellows, and 42 private schools in the state graduated 83 winners.

Emphasis On Teaching

The foundation, located at Princeton, N.J., is a private agency whose purpose is to encourage talented students to choose college teaching as a career. Since 1958, over 6300 fellowships have been awarded for first-year post-baccalaureate graduate study. Illinois ranking

Dr. Hans Rosenhaupt, national director, says, "Our awards go to college students in certain graduate fields, principally in the humanities and social sciences. A candidate is judged by his college record, recommendations of his college professors, his own statement of intellectual interest, and through an interview conducted by a panel of college teachers."

"His high school and his inspiring teachers may well have prepared him for this day, but it is his own achievements through the intervening years since high school upon which he is judged."

YMCA Plans Open House Monday; List Activities

The YMCA will hold an open house from 6:30 to 9 p.m. Monday featuring demonstrations and exhibits which depict the major activities of the Y's year-round program.

The annual board meeting will be held in the auditorium from 6:30 to 7 p.m. Current board officers are H. D. Karandjic, president; Harold Fischer and Milton Reinhardt, vice-presidents; Wensel Brown, treasurer; and Mrs. Jean Vrenick, secretary.

A wide variety of athletic demonstrations will be shown in the gymnasium starting at 6:45 p.m. The schedule includes:

6:45—Demonstration of gymnastics.

7:05—Teen Town basketball demonstration.

7:25—Presentation of high school league basketball championship trophies to the Teen Town team.

7:30—Fencing by the Granite City Fencing Club and demonstrations by Y wrestling teams.

7:40—Soccer demonstration.

8:10—Weight lifting demonstration.

8:30—New York and California. Each year, 1000 are chosen from over 10,000 college freshmen in the U.S. and Canada on a competitive basis.

Dr. Hans Rosenhaupt, national director, says, "Our awards go to college students in certain graduate fields, principally in the humanities and social sciences. A candidate is judged by his college record, recommendations of his college professors, his own statement of intellectual interest, and through an interview conducted by a panel of college teachers."

"His high school and his inspiring teachers may well have prepared him for this day, but it is his own achievements through the intervening years since high school upon which he is judged."

BASKETBALL QUEEN for the Granite City park district's high school cage league is Miss Clara Takmajian, who was crowned during a coronation ball Saturday night by Barry Loman, park district president. The crown and flower bearers are Kathy Ernst and Susan Neuman.

Clara Takmajian Crowned Park's Basketball Queen

Clara Takmajian was crowned gold, pink and silver, with a queen of the Granite City park chandelier hanging from the top, district's basketball league at a and the stage was decorated in glitter diads.

Five eagers named to the league's All-Star team served as escorts during coronation ceremonies. Robert Martinez served as the All-Star escort for the new queen. The tiara crown was placed by Barry Loman, park district president.

Maid of honor and their All-Star escorts were Marcella Weizer and Ronald Yates, Ginger Horn and Charles Stephens, Judy Spurrier and Barry Sykes, and Mary Lewis and James McDonald. Kathy Ernst and Susan Neuman were crown and flower bearers.

About 200 persons attended the event, which the park district hopes to make an annual affair, and an orchestra played for dancing. Harold Brown, park district superintendent, served as master of ceremonies for the sports program, and John Birdsong, a member of the park staff, was master of ceremonies for the coronation.

The queen was presented with her tiara, a gold trophy and a dozen roses. The maid of honor received a trophy and a corsage. The gym was decorated in

Theater Symposium Set Friday At E. St. Louis

Interested students from about 100 high schools and colleges in southern Illinois have been invited to attend a symposium by the National Repertory Theatre, featuring Farley Granger, at 4 p.m. tomorrow at the East St. Louis residence center of Southwestern Illinois University.

The cast will present a symposium on "The Crucible" by Arthur Miller, "Ring Around the Moon" by Jean Anouilh and "The Seagull" by Anton Chekhov. All persons interested in the theatre are invited without charge.

The non-profit making National Repertory Theatre was founded in 1961 to take a repository of plays to the country at large, making available to the people a library of living dramatic literature of the past as well as the present, just as symphony orchestras bring to their audiences great music from many lands and ages. The three plays are being presented in repertory at a downtown St. Louis theater until March 21.

Summer Math Program Set For Prep Students

St. Louis University will conduct its fifth summer program for mathematically talented high school students with support of a \$6345 National Science Foundation grant from Aug. 3-28.

Forty commuting students selected from those nominated by their high school principals will participate. Included in the program will be classes and laboratories in the foundations and applications of mathematics, and field trips to computer laboratories in the St. Louis area.

\$4000 Scholarship To U. Of I. Available

High school seniors wanting to make civil engineering their career may now apply for the before March 15.

Marie Mitchell Cast In Blackburn Drama

Marie K. Mitchell, daughter of Mr. and Mrs. Thomas M. Mitchell, 1512 Johnson road, is a senior at the Carlinville college. The play will be presented April 24-25 at the college. Mrs. John V. G. Forbes is the faculty adviser to the drama group.

Miss Mitchell, a 1959 graduate of Granite City high school, is majoring in sociology at Blackburn. She has been an officer of the college choir, Student Christian Association cabinet, and a member of the social committee, players and behavioral science club.

Operetta 'Lucky Day' Set In March At GCHS

Granite City high school will present an operetta entitled "Lucky Day" at 8 p.m. March 19 and 20 in the school auditorium. It is being sponsored by the Advanced Mixed Chorus and is being directed by Warren Simpkins.

Richard McKinney and Pat Pierce have been cast into the romantic leads of Don Barlow and Vickie Matthews. Marie Frantzko will portray Matilda, a middle-aged cupid for boys. Leo, by Rodger Russell; Bud, by Travis; Joe, Bruce Rowles; and Bill, Gary Andrews. The girls are Sally Myers; Hope, Pat Wheeler; and Gloria, Sharon Wolf.

Other members of the cast include Ray Talley, Gerald; Margie Harlan, Charlene; Marie Beasley; Jimmy; and Kenny Jones and Jim Matthews.

The words and music were written by Lottie McFarland and Ruth Ritches and deals with the trials and tribulations of young love with interference from adults.

Spring Formal Planned For April 18 At GCHS

The junior class at Granite City high school will hold the spring formal on April 18 with the cooperation of the student council. The theme will be "April in Paris."

Junior class officers in charge of committees are John Fomero, president, senior promenade committee; Carolyn Randolph, vice-president, publicity; Jonathan Leatherman, secretary, decoration committee; and Mary Lee Lewis, treasurer, program committee.

A parent committee also will be formed for the formal affair. Members of the student council will be selling tickets and are responsible for obtaining a band.

The first classes to be held at the main campus of Southwestern Illinois University are expected to start in the fall but because of construction delays may be limited to post-graduate courses.

When the Kaiser Department Store was recently remodeled, fluorescent ceiling lights were installed. These lights provide three times more illumination on the merchandise than the old lights. Yet, the cost for electricity is only one-third more!

"We've had many favorable comments from customers about the new lighting," says Mr. Kaiser. "Our employees enjoy their work surroundings more. And, our sales volume has increased."

Moral: Store modernization, including modern lighting, is a necessity that more than pays for itself.

If you're in business, you owe it to yourself to get a light meter checkup. For a free checkup, see your electrical contractor. Or, call your Illinois Power Company lighting representative.

OUR MIDNIGHT OIL BRINGS YOU BETTER DRUG SERVICE
As pharmacists, our studies are never done. Five years in pharmacy college were just the beginning. We regularly burn the midnight oil, learning answers about new drugs you'll soon be using. Right now three-quarters of the new prescriptions we fill, call for drugs that didn't exist ten years ago. These new drugs are just one more way we try to give you better service. Visit us regularly for the latest — not only in drugs and health aids — but in our many other supplies.
